Address format

A new postcode system has been introduced in 2017.

Four levels of administrative divisions are required in the Vietnamese address:

Level 1, zones, entails 10 zones, each zone not exceed more than 10 provinces and centrally governed cities.

Level 2, provincial, municipal and central code entails provinces and 5 centrally governed cities (Hanoi, Haiphong, Da Nang, Ho Chi Minh and Can Tho) and 3 special economic zones.

Level 3, districts: the code of district and central administrative units entails rural and urban districts, provincial cities and towns and islands.

Level 4 and 5, other deliveries or special deliveries, designated as post-codes including:

- + communes and administrative units equivalent to communes
- + postal service points in the public post network
- + specific postal services for dedicated operations on governmental decision
- + foreign diplomatic missions, consulates and representative offices of international organizations in Viet Nam.
